

We Welcome Dogs at The Hare and Hounds Hotel

Here at the Hare and Hounds we welcome all well-behaved pets to enjoy a holiday with their owners. The hotel grounds are perfect for walking your dog and we have put together a map showing the paths in the wooded area. We would appreciate it if you kept your dog on a lead in all public areas and within the hotel grounds. Please note there are a number of bins provided for discarding of any "deposits".

The beautiful area and surrounding countryside offers a wide variety of walks that we know you and your dog will enjoy. Please ask at reception for local walks and details of the Westonbirt Arboretum.

We want to ensure both you and your dog enjoy your stay with us and request that when booking your accommodation you advise the hotel that you will be bringing your dog. We can only allocate a certain number of rooms for owners choosing to bring their dogs and is at the discretion of the manager of the hotel.

We also request that dogs are not left unattended in the bedrooms. If you have to leave your dog unattended for any amount of time, please inform reception.

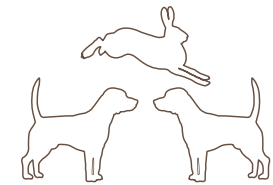

**We hope you all
enjoy your stay at the
Hare and Hounds Hotel.**

JACK HARE'S BAR

Jack Hare's is a lively English country pub with a friendly atmosphere and welcoming log fires during the cooler seasons. It is popular with locals and guests alike and offers a great selection of food. The bar menu is available throughout the day and meals range from freshly prepared baguettes to more substantial dishes such as Gloucester Old Spot Pork Sausages. Why not sample the locally brewed 'Jack Hare's' real ale.
